

St. James Newsletter

October 2025

From the Pastor,

As I write this letter it is early September. I am hoping that by the time you read it in early October the Cubs will still be playing games that are meaningful instead of just running out the schedule. That is, after all, what has been behind the numerous player personnel decisions they have made over the last several years.

As with any professional sports organization, the Cubs have been in a period of “rebuilding.” What that means is that they made decisions with an eye to the future, not necessarily immediate, success. Sometimes they have traded or not signed many of their stars, the one or two players who excel at the game, in order to recruit young talent who will help the team win in two or three or four years down the road. In essence, they sacrifice their current talent for the possibility of long term, sustained, success.

Perhaps it would be helpful for us to see ourselves in a period of rebuilding. As existing congregations, we have had a good run. For Calvary (over the past 106 years) and St. James (for 72 years), we have had full Sunday School classes, large confirmation classes, active youth groups, multiple WELCA circles, wonderful choirs, full services and more. It has been good.

But times and situations have changed. And so now would be an appropriate time for us consider a “rebuilding” stage.

Being in a rebuilding stage means we need to look to the future. We need to be willing to let go of the things that might have been successful for us in the past in order to make room the new things that will help us in the future. We need to be willing to consider new ways of being the people of God in our communities. We need to be willing to see the world as it is and not the way it has been and consider new ways to effectively share the love of God in this new world.

Rebuilding is never easy, and it is often painful. It takes time. It requires patience because results are rarely immediate. But is necessary if we intend to be faithful proclaimers of the word of God throughout the next decade and beyond.

We have begun that process in our discussions of our relationship between St. James and Calvary as well as the work being done with the six other ELCA congregations in Rock Island and Moline. Please continue to pray for our work together and be open to a future that may look very different from our present.

In Christ,

Pastor Knowles

Deadline for sign up – October 12

A sign-up sheet has been placed on the table in the Narthex. In place of a gift, you may donate monetarily and LSSI will do the shopping for you.

Once we know how many would like to purchase gifts, we will forward the count to LSSI. They will put together a suggested list of children listing their age, gender and items that the children would like or need and send to Calvary. We will then give out the tags to those who sign up from St. James.

This year, each child will have a tag with their number, age and list of items, including clothing sizes. Once done shopping, please place your tag with your items and return them to church. Most items listed are valued at \$25 or less. If you would like more information, please contact Trish.

News from Tanzania

Paula Lofstrom has just returned from visiting Tanzania for three weeks and seeing the new medical building. She and her son David will now begin a fundraising tour and will visit St. James on March 28-29. They are excited to start telling the story of what is happening at Chihoni.

The community is impressed and eager as the CMC building is nearing completion.

Paula sent the September newsletter. A printed copy has been placed on the information table in the Narthex.

Sunday School

The Lordie Girls are back in session and growing in size and numbers! The girls came back from summer break looking older and wiser, and they brought a new member to the group, Sylvie Wieland. We are so excited to have her!

We started our year off learning/reviewing the creation story. Lily Loete was so nice and brought her pet snake *Flicker* to help tell the tale! We also made people, out of corn husks.

As our group grows, we are excited to see what the year has in store for us!

Sound of Hope: The Story of Possum Trot (also simply known as ***Possum Trot***) is a [biographical film](#) about Donna and Reverend Martin.

Plot

After her mother's death in 1996, Donna felt a calling to care for children without parents. After researching, she learned about the plight of many other children. Along with her husband, Reverend Martin, and the Bennett Chapel Missionary [Baptist Church](#) in [Possum Trot, Texas](#), she invited families to adopt or foster children from the local foster system.

“Inspired by the powerful true story, Donna and Reverend Martin ignite a fire in their rural church to embrace kids in the foster system that nobody else would take. By doing the impossible – adopting 77 children – this East Texas community proved that with real, determined loved, the battle for America’s most vulnerable can be won.” Join us on October 19th to “love like momma” and “fight for the kids” in our community!
